

Subjects with Restrictions for Students from Other Graduate Schools : Graduate

Launched on : April, 2025

- 【Please note (applicable to all faculties and graduate schools)】
- 1. Students must carefully read the course registration guide and carry out the procedures required to take a course taught at another graduate school. There may be subjects with restrictions other than those shown below. Please make sure to carefully read the corresponding subject description and syllabus.
  - 2. Subject-related orientation and a description of restrictions may be provided at the first lecture/class. Please make sure you attend.
