

## GIC Student Community - FAQs

### What is the GIC Student Community?

It's a community of students who study GIC classes and who are interested in language and intercultural learning. The GIC-SC is sponsored by the GIC program and is supported by SA Prof. Joseph Shaules. We use Canvas to share information, socialize and plan events.

### Who can join the GIC Community?

All students who sign up for GIC classes can join. You simply need to register below.

### What are the benefits of the GIC Student Community?

You can meet other students, learn about GIC events and resources, get academic support, and stay in touch through the Canvas platform.

### How can I register for the GIC Student Community?

Use the link below to fill out the registration form.

### What happens next?

You will receive information about GIC events and GIC-SC activities.

Register for the  
GIC Student Community!
