

# **FALL 2021**

## **FACULTY OF ECONOMICS PEARL**

### **TIMETABLE**

### **SECOND YEAR**

#### **Notes**

1. Please pay attention and do not confuse course registration numbers with classroom numbers.
2. Half-year intensive courses have two classes per week, for example, English Academic Skills. For these courses, the same course registration number is printed for both classes.  
For intensive course registration, if you enter the registration number, you will be registered for both classes automatically.
3. Important announcements from the university will be posted on the Keio University Student Website or "News" on keio.jp. Also, there will be notices posted at these locations if there are any classroom changes in the middle of the semester or temporary classroom changes. It is your responsibility to check the website regularly so as not to miss notices.
4. Any results in courses you have not registered for will be invalid, even if you take the exams or submit assignments.

▪In order to register courses listed in the above timetable, please register through the Course Registration System and select column A.

▪If you wish to register courses for type A/B students instructed in Japanese excluding courses offered by various research institutes and other faculties, please consult with the Office of Student Services during the Course Registration Period with extra time. It is not possible to register these courses through the Course Registration System. Dates and periods of those courses can be found on the timetable for type AB students. These credits are counted as Optional Subjects.

▪Adjustments will be made to a course if there are a particularly large number of students registering for it. (Highly possible for General Education Courses, especially Intensive Courses marked as 【FaIn】.)

▪Please check the Keio University Student Website and keio.jp portal regularly as changes may be made to the class formats depending on the future situation.
