All the Web Application for Foreign Languages I (English Seminar for fall semester) is postponed until further notice. New dates will be announced on keio.jp and Keio University Student Website. The new dates will be sometime before April 13, so please regularly lookout for the new information.

The treatment of the Curatorship Guidance and all other guidance offered by Keio research institutes are announced on a separate webpage.

The new dates for the Annual Health Examination are yet to be decided, and the schedule will be announced on keio.jp as soon as it becomes available.

The Spring Semester-end examinations will not be held because of the 2020 Olympic Games.
