## **AY 2021**

# Faculty of Economics Timetable 3rd and 4th year level

#### **NOTES**

- 1. All the changes to the timetable will be announced on the bulletin board.
- 2. **(S) (F)** before the course title indicates the semester in which the course is offered.
- 3. Courses offered in Mita Campus with "A" and "B" at the end of course title does not necessarily indicate that they are corequisite course. Corequisite courses are the ones with single registration number AND "A" and "B" at the end of course title. To confirm, please refer to the syllabus of each courses.

\*Class schedule for Semester-half courses (please refer to the Course Registration Guide p.5-8 for details)

[Spring 1<sup>st</sup> half] April 7 – May 27
[Fall 1<sup>st</sup> half] October 1 – November 25
[Spring 2<sup>nd</sup> half] May 21 – July 10
[Fall 2<sup>nd</sup> half] November 12 – January 21

During the following periods, lesson number 13 of the semester  $1^{st}$  half courses and lesson number 1 of the semester  $2^{nd}$  half courses will be conducted: May 21 - May 27 and November 12 - November 25

Lesson number 13 of the semester 1<sup>st</sup> half courses hold only first classes, and lesson number 1 of the semester 1<sup>st</sup> half courses hold only second classes of two classes.

When those two classes are offered on different days, Thursdays shall be deemed as the first day of the week (example: For courses offered on Friday 1st period and Wednesday 1st period, a class offered on Friday is deemed as first class, and a class offered on Wednesday as second class)

<sup>\*</sup>For courses offered by other faculties, make sure to check the timetables of respective faculties.

 $<sup>\</sup>hbox{*For courses offered by Keio research institutes, make sure to check p.43 of Course Registration Guide.}$

#### Notes

- · Underlined courses are corequisite courses ("set" courses).
- · Credits from mandatory (shaded) courses will not be included in the course registration limit (48 credits per academic year).

#### **Cautions:**

- \* 1: Maximum of 8 credits will be included in 68 credits requirement of Major Subjects Category.
- Exceeding credits will be included in Graduation Requirement Credits (more than 16 credits required to graduate).
- \*2: Maximum of 4 credits will be included in 68 credits requirement of Major Subjects Category.
- Exceeding credits will be included in Graduation Requirement Credits (more than 16 credits required to graduate).
- \* 3 : Open only to PCP students.
- \* 4 : Maximum of 12 credits will be included in 68 credits requirement of Major Subjects Category.

Exceeding credits will be included in Graduation Requirement Credits (more than 16 credits required to graduate).

#### ◆Credit List for Optional Courses

	Not included the course registration li	Students registered for Teacher Training Courses only	60-39-02	⟨Courses registered using "96" in Column B⟩ Courses taken by students who have registered for Teacher Training Courses outside of the course registration limit* Courses offered by the Teacher Training Center Courses offered by other faculties for the purpose of obtaining a teaching license*
	ı sı	Courses taken prior to graduate school		Graduate school courses taken outside of the course registration limit by students planning to advance to a master's program in the Graduate School of Economics, Law, or Human Relations, or the Professional Degree Program at the Law School.

#### 2 Course Registration Limit

The maximum number of credits that students may register in the third and fourth years respectively is <u>48 credits per Academic Year</u> (FS), which includes the following credits for Research Seminars:

Third year: 4 credits (A and B) Fourth year: 8 credits (C, D, and graduation thesis)

- (1) Courses not included in the course registration limit
  - · Mandatory courses marked with that are listed under "1 Total Credits Required for Graduation".
  - · Institute for Journalism, Media & Communication Studies courses registered by research students of the institute outside of the course registration limit.
  - · Courses registered by students taking Teacher Training Courses for the purposes of obtaining a teaching license, outside of the course registration limit.
  - · Courses offered by graduate schools that are taken while enrolled in the fourth year (see "7 Taking Graduate School Courses Prior to Joining a Graduate School" under "4 Notes on Taking Courses" on p. 44).
- (2) Other notes
  - · Optional Courses registered in the field number [60-30-51] are included in the course registration limit.
  - $\cdot$  Courses students have failed to pass, are still included in the course registration limit.
  - · Students repeating a year can register a maximum of 48 new credits in the same year level.
  - · Corequisite courses that are offered both in Spring and Fall semesters: credits of Spring part is counted in Academic Year 2020–2021's limit, and Fall part in Academic Year 2021–2022's registration limit.

#### 3 Credits Required in Third Year to Advance to the Next Year

Students must satisfy the criteria set out under both (1) and (2) below in order to advance to the fourth year.

(1) Earn 8 credits in Foundation Courses and 16 credits in Introductory Subjects in Major Subject

(1)-i) 8 credits in Foundation Courses (no breakdown specified\*)

\*There are no specifications regarding the breakdown of credits, so it is acceptable to earn a total of 8 credits from any of the Foundation Courses.

(Even if you do not pass the Mandatory Courses it is possible to satisfy this requirement by taking Elective courses.)

Example: A student fails to pass Statistics 1 and Statistics 2, but passes Introduction to the Japanese Economy, Historical perspectives in Economic Analysis, Introduction to Calculus, and Information Processing 2.

(1)-ii) 16 credits in Major Subject Introductory Subjects (no breakdown specified\*)

\*There are no specifications regarding the breakdown of credits, so it is acceptable to earn a total of 16 credits from any of Introductory Subjects including Mandatory Elective and Mandatory courses (even if you do not pass the Mandatory courses it is possible to satisfy this requirement by taking over 4 credits-worth of Mandatory Elective courses).

Example: A student fails to pass Introduction to Microeconomics 1, but in addition to passing the other required courses (Elementary Economic History 1, Elementary Economic History 2, Elementary Macroeconomics 1, Elementary Macroeconomics 2 and Introduction to Microeconomics 2), he or she also earns 6 credits from the Mandatory Elective courses (such as Economics and Environment, Introduction to Econometrics, and Marxian Economics 1).

#### (2) Earn 28 credits in the third year from courses registered within the course registration limit

\*The following courses are also included in the 28 credits.

- · Untaken Graduation Credits (by Category) for General Education and Foreign Language Courses
- · Optional courses within the course registration limit (Field number [60–30–51])
- · Accredited credits from courses taken while studying abroad
- · (For students repeating a year) Third-year credits earned in previous academic years

#### ■ Courses not included in the above 28 credits

- Courses which are taken outside of the course registration limit (Mandatory Foundation Courses, Mandatory Introductory Subjects in Major Subjects Courses Category, Optional Courses registered outside the course registration limit)
   E.g., even if you retake Statistics 1, which you failed before, and earn the credits in the third year, it will not be included in the 28 credits.
- · Corequisite Courses (SF) students are currently taking.
- (For students repeating a year) If you retake a course which you have already taken in the third year and received a grade of A, B, or C at that time, the course will be offset and will not be included in the 28 credits.

#### 4 Credits Required in Fourth Year to Graduate

Students must satisfy the criteria set out under both (1) and (2) below in order to graduate.

(1) Earn 126 credits required for graduation

#### (2) Earn 12 credits in the fourth year from courses taken within the course registration limits

Note: The following courses are also included in 12 credits.

- · Untaken Graduation Credits (by Category) for General Education and Foreign Language Courses
- · Optional courses within the course registration limit (Field number [60–30–51])
- · Accredited credits from courses taken while studying abroad
- · (For students repeating a year) Fourth-year credits earned in previous academic years

#### ■ Courses not included in the above 12 credits

Courses which are not taken within the course registration limit (Mandatory Foundation courses, Mandatory Introductory Subjects in Major Subjects Courses Category, and Optional Courses registered outside the course registration limit)

E.g., even if you retake Statistics 1, which you took and failed previously, and earn credits in the fourth year, it will not be included in the 12 credits.

• (For students repeating a year) If you retake a course which you have already taken in the fourth year and received a grade of A, B, or C at that time, the course will be offset and will not be included in the 12 credits.

### Mita Campus Map (as of April 2021)

### Other Facilities

#### (1) Use of PCs and printers

ITC Account (User ID/ Password) \* Example of the User ID: ub123456

ITC account is required to use PCs, printer services, and network installed by ITC on five campuses (Mita, Hiyoshi, Shinanomachi, Yagami and Shiba-kyoritsu). If students do not yet have an ITC account or forget the password, please visit the Mita ITC office on BIF of the Graduate School Building with your student ID card.

\*\* Additional charge incur when printing. Payment can be made by a traffic system IC card such as Suica and PASMO (except Mobile Suica/PASMO and PiTaPa).

\*\* To use the on-campus wireless LAN (Wi-Fi), you need an ITC account or keio.jp (Keio ID).

· Locations of PCs and printers and hours of use (during term-time)

	Locati	one	Hours of use			
	Locau	OIIS	MonFri.	Sat.	Sun./Holidays	
Graduate School	B1F	Shared computer room		77 7111	Unavailable	
Building	1F 2F 3F	Classrooms* 311/314/321/322/333/335/336	8:45am-9:00pm	Unavailable		
South School Building	1F 2F	PC Lounge		8:45am-9:00pm		

●Emergency closures of computer rooms may be carried out for system maintenance. \*Students will not be able to use rooms when they are being used for classes.

For details of PCs and printers and hours of use (outside term time), please check the Mita ITC website: https://www.mita.itc.keio.ac.jp/

## (2) Certificate Issuing Machines (see "7 Certificates (Transcripts, Student Travel Fare Discount Certificates, etc.)" under "III Student ID Card, Notifications, and Certificates")

There are Certificate Issuing Machines located on 1F of the South School Building. For details of operating days/hours, please check the Keio Student Website (Keio University Student Website  $\rightarrow$  Mita  $\rightarrow$  Faculty of Economics  $\rightarrow$  Procedures  $\rightarrow$  Certificates).

#### (3) Photocopying

Photocopiers are located at the University Co-op and the Co-op Cafeteria.

#### (4) Lost and found

The General Affairs and Inquiries counter of the Office of Student Services holds onto lost and found items.

#### (5) Cafeterias

There are three cafeterias: *The Cafeteria* in the South School Building, and *Yamashoku*, and the *Co-op Cafeteria* in the West School Building.
