<b>Thesis Title</b>							

Upon request, your thesis may be provided for borrowing and copying for academic purposes. Choose the options that match your agreement. These options may be changed later if necessary.

### For Digital Edition in PDF Format

Printing permitted

Printing prohibited

Reason:

- ❖ The personal information you provide will be used exclusively for the procedures involving your master's thesis. For our privacy policy, please refer to the websites of Keio University as well as Mita Media Center.
- ❖ As an exceptional case, you may ask for postponing the release for either of the below reasons. Choose the one that applies to your situation in order to request postponing.

The thesis is going to be submitted to an academic journal, or to be published as a book.

No permission is given by the research subject, either an individual or an organization.

Please let us know as the situation changes. Note the bibliographic information will be open even if the full text is unreleased.
