

Services Offered by the Career Services Section

Individual Consultations

The Career Services Section offers consultations to students regarding employment options, recruiting activities, and all aspects of future careers. Any student can take advantage of these services. Furthermore, you can also have your CV or application forms reviewed and undergo mock interviews (appointment required). We are currently conducting interviews online. Please make a reservation by filling out the form below. If you need English support, please send your specific request to the address below.

<https://drive.google.com/drive/folders/1D6CseYm-g377SE8MZKH8korYbnzv60VB?usp=sharing>

(The ID and password for keio.jp are required)

Recruitment Information, Accounts of Recruitment Experiences, Alumni Databases

Recruitment information provided to the University by corporations and organizations as well as accounts of recruitment experiences can be accessed from both on and off campus on the Keio Single Sign-On System (keio.jp). Alumni databases can be viewed by students from the Fall Semester of their third year.

Borrowing Materials Related to Finding Employment

Employment-related materials can be borrowed from the Career Services Section for one week.

Information on Internships

Internship information provided by corporations and organizations will be posted on the notice board on the Career Services Section website. Many internships are open to students of all years.

Orientation Events and Seminars

Numerous orientation events and seminars related to placement and careers are held on campus. Many of these events and seminars are open to all students, regardless of their year. Information on these events and seminars will be posted on the Career Services Section website.
