## Independent Research Course (Doctoral Students)

Students in Doctoral program must register the Independent Research Course conducted by their main research advisors. If students' main research advisors are studying abroad or on sabbatical, they must register their co-research advisor's Independent Research Course. They are required to consult with their main research advisor about which co-research advisor's Independent Research Course to take.

	Instructor	Registration #
A	AKIYAMA, MIKI	25526
