## **9. FAQ**

### **Q1. How and when should I pay rent?**

**A1.** In principle, the payment can be only made by manual bank transfer or automatic bank transfer (Japanese bank account only). Credit card payment is NOT accepted.

More information will be provided in the housing orientation after you move in. Please rest assured that the first payment will be after you move in.

The first due date for the initial rent payment including the cleaning and maintenance fee (non-refundable) will be announced AFTER your residency begins. The amount will depend on which dormitory you are allocated and which day you enter the dorm.

### **Q2. Is it possible to send luggage to the dormitory before I move in?**

**A2.** No. We do not keep the luggage for you, so make sure to arrange your delivery AFTER your arrival and receive them on your own. Your room number will be announced when you check in, so it is required to write your name and the dormitory address CLEARLY. We ask residents to set the delivery time as well because we do NOT keep your package in the dormitory.

### **Q3. Can I change my allocated dormitory?**

**A3.** No. Your allocated room cannot be changed to any other dormitories. Please understand that not every applicant has been accepted according to one's preferences. Some applicants have not even been assigned to any of the dormitories.
