# Scholarships for self-supporting students (1)

## <Terms of scholarships for self-supporting students . . . >

If you wish to apply for a scholarship offered by the International Center, your visa status must be **“Student”**.

\* Those whose visa status is “Long Term Resident” or “Dependent” can apply for scholarships offered by International Center if they change their status to “Student.” Please consider and decide whether you change your visa status or not because there are advantages or disadvantages as well as things you are allowed or not allowed to do depending on your visa status.

## <Application STEP 1>

- ❑ Before being able to apply for scholarships...

You have to complete **Scholarship Application Registration**. It is **an entry (sign up) form** for scholarship selection. Only students who have completed registration are eligible to apply for scholarships through Keio University during the semester until the next scholarship applicant registration period (expected in early-April of the following year).

- ❑ Please check the webpage of **the International Center** in order to apply for a scholarship.

How to apply for scholarship (Scholarship Application Registration):

(In English) <http://www.ic.keio.ac.jp/en/life/scholarship/application.html>

(In Japanese) [http://www.ic.keio.ac.jp/intl\\_student/scholarship/keio\\_student.html](http://www.ic.keio.ac.jp/intl_student/scholarship/keio_student.html)

【Registration Period】

**September 28th, 2020 - October 2nd, 2020**

## <Important Points for Scholarships, to which students are nominated by Keio>

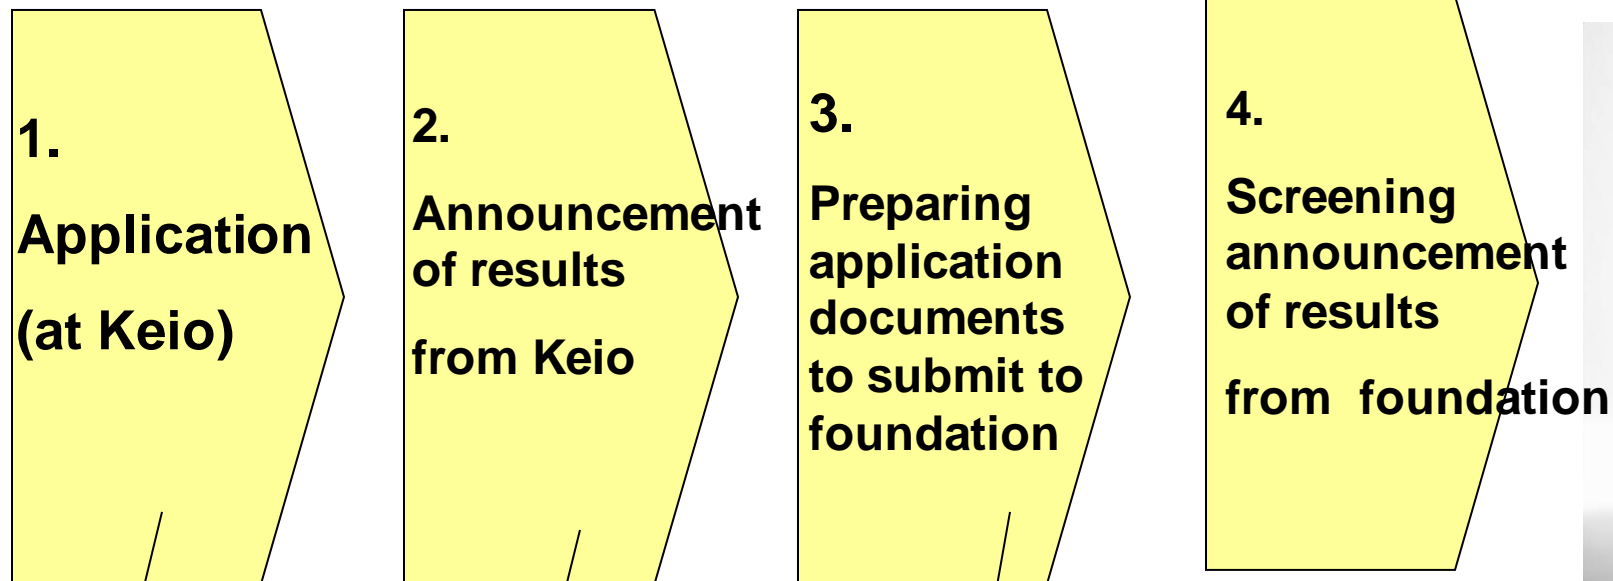

- 1 Students who are nominated for a private foundation scholarship by Keio University **cannot apply** for another scholarship until they receive the result.
- 2 Students who are receiving a private foundation scholarship and will be receiving the same scholarship next year cannot apply for scholarships which do not allow receiving of different scholarships at the same time.
- 3 After being awarded a scholarship, students are **NOT allowed to withdraw from the scholarship** in principle. Please consider your financial situation before applying for a scholarship with small award amounts.

# Scholarships for self-supporting students (8)

< Flow of application for scholarship that students are nominated by Keio to apply >

**Scholarship  
Awarded !**

**Confirm application requirements and apply.**

Application form to submit to chosen foundation will be provided to nominated students.

Don't forget to check results on the web bulletin boards, especially during long term breaks !

## <Review>

1. Important information and notifications will be posted on the webpage of the International Center. Please check the webpage at least once a week!
2. Please confirm the application requirements and conditions before applying for a scholarship which requires you to be nominated by Keio University.
3. If you wish to apply for scholarships in next academic year, **you need to submit all the scholarship registration documents in next April again**. This means your scholarship registration is valid for one academic year.
4. In order to revise the latest information, those who already submitted scholarship registration documents in April, please submit another **[1. Sheet “No.2” of scholarship registration documents]**, and **[your grade report including this spring semester]** in September application period.
