About the “Future Leaders” Program

Partnering with 14 of the world's best business schools, [The “Future Leaders” Program](#) allows students to gain an understanding of their local markets while also immersing them in one of the fastest-growing and most dynamic economies in the world: China. This program will admit top students with outstanding leadership potential from its partner institutions. After completing their first two years of study at their home university, students will live and

study together with classmates of diverse backgrounds from all over the world, including students from China, for two more years as a single cohort at Guanghua School of Management, Peking University, the No.1 university in China, according to QS ranking 2024.

Students who successfully complete this program receive both Bachelor degrees from your home university and Peking University. Meet our students here:
